

Outlook 2003

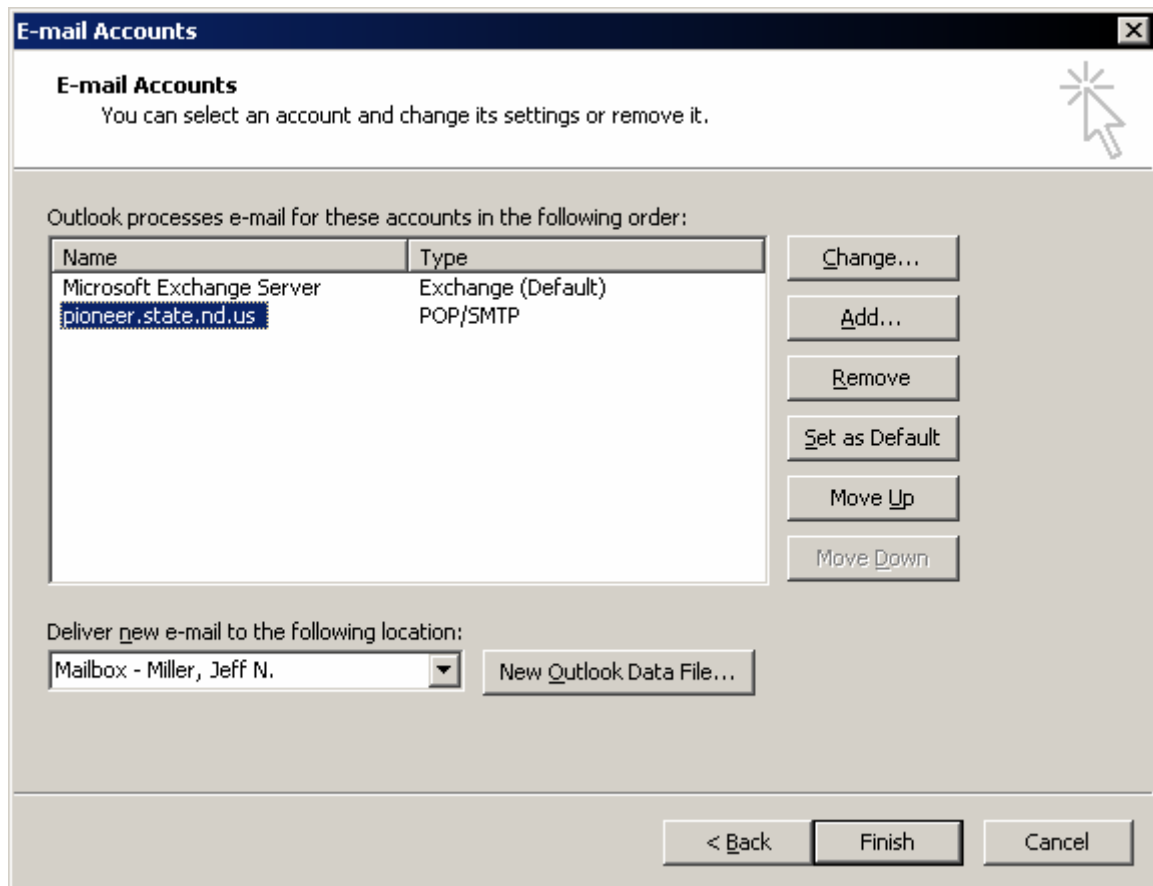

POP3 Reply from Instructions

Step1. Access mail settings
Start>Settings>Control Panel>Mail

Click Email Accounts

Select the radio button for 'View or change existing email accounts', click next

Select your POP3 email account and click change.

Step2. Change address

When the E-mail Accounts box comes up, change the 'E-mail Address' field from username@state.nd.us to **username@nd.gov** and click 'Test Account Settings'. When this completes successfully, click next and finish on the next screen.

E-mail Accounts [X]

Internet E-mail Settings (POP3)
Each of these settings are required to get your e-mail account working.
